

COMMONWEALTH OF KENTUCKY  
BEFORE THE PUBLIC SERVICE COMMISSION

In the Matter of:

THE MERGER OF THE MAPLE GROVE SEWER )	
CONSTRUCTION DISTRICT INTO THE )	
LOUISVILLE AND JEFFERSON COUNTY )	CASE NO. 10259
METROPOLITAN SEWER DISTRICT )	

E R R A T A

On June 7, 1988, the Commission, by Order, approved the proposed merger of the Maple Grove Sewer Construction District ("Maple Grove") into the Louisville and Jefferson County Metropolitan Sewer District ("MSD"). This Order is to clarify an erroneous reference to the Shady Villa Sewer Construction District in the second paragraph of the June 7, 1988 Order. Accordingly, the Commission finds that paragraph two of the June 7, 1988 Order should be stricken and replaced with the following:

Maple Grove's application states that it has not been able to maintain a satisfactory level of treatment in accordance with local, state, and federal health and environmental rules and regulations. As a result of its inability to obtain the necessary funds to upgrade its system to meet the applicable rules and regulations, Maple Grove has proposed to merge with MSD.

The Commission further finds that all other findings and orders in the June 7, 1988 Order in this case should remain in full force and effect.

BE IT SO ORDERED.
